With reference to your letter No. 1266Muz.199-24-2 dated 27th February 1925 returning for reasons stated therein the estimate for the reconstruction of the Jumma Masjid at Holehonnur, Shimoga Taluk, I have the honor to forward herewith an estimate for Rs.3,935/- prepare by the Executive Engineer Shimoga Division and received with letter No. H.C. 175 of 24-25 dated 26th November 1925 from the Deputy Commissioner and to state as follows.

The devotees have so far collected a sum of Rs.1,668/- and deposit the same in Government Savings Bank Account No.4349 in the Shimoga District Treasury. Vide Pass Book enclosed. Two of the local Mohomada gentlemen Viz. Messers. Khaji Gulam Mustafa Sahib and Khadar Mohadin Sahib have executed mutchalika to the effect that they would undertake the work and complete it according to the plan and estimate now prepare by the Public Works Department irrespective of their getting any furthe contribution from the devotees. They represent that the full amount of Rs.3,935/- will not be required as they themselves take up the execution of the work and propose to utilize some of the materials they have on hand. They further request that the State Grant of Rs.590/- already given in 1920-21 might be supplemented by an additional contribution.

The Deputy Commissioner in supporting their request, recommends that the present estimate might be sanctioned, giving a sum of Rs.210/- from the State grant of this year raising the Government contribution to Rs.800/-.

In view of the fact that the devotees have come forward with a

with a contribution of Rs.1,668/- and two of the head have agreed to take up the work and execute it according to the estimate prepared by the Public Works Department, I recommend that present estimate for Rs.3,938/- may be kindly be sanctioned. A sum Rs.210/-will be given from the State Funds of the current year. On receipt of Government sanction the Deputy Commissioner will be requ to take proper security from the gentlemen who have come forward to compl·te the work and to withhold payment of the Government Grant till then. It will also be stipulated that payments for the work will be made only bills passed by the Public Works Department.

Letter No. H.C.175/24-25 dated 26th November 1925 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner In Mysore, Bangalore.

With reference to the correspondence ending with your letter No.C. 682 of 24-25 dated the 1st April 1925 regarding the construction of the Jumma Masjid at Holehonnur in the Shimoga Taluk, I have the honor to state that, on a reference made to the Executive Engineer, Shimoga Division he has sent in a revised plan and an estimate for Rs.3935/-. The Muslim Gentlemen of the locality have so far collected Rs.1,500/- and with the interest accrued on the sum of Rs.500/- already deposited by them in the Government Savings Bank, the total amount at their credit now comes to Rs.1,668/-. Two respectable gentlemen of the locality Messers. Khaji Gulam Mustafa Saheb and Khader Mohadeen Sahib have ~~agreed to~~ have executed Mutchilkas before the Treasury Assistant Commissioner in charge of Shimoga Taluk to the effect that they would complete the work according to the approved plan, irrespective of their success or failure in their atempts to secure further subscriptions from the Muslim Public. Since they undertake to do the work themselves and to use the available materials with them, they expect that the full amount provided in the estimate would be required. In view of the large amount of subscription raised, they pray that the Government Grant might kindly be increased to Rs, 800/-. I solicit the favor of very early orders, as this matter is pending from a long time.

Their prayer appears to be reasonable and I recommend that the Govt grant might kindly increase

2.The connected papers as also a copy of report No.C.128 of 24-25 received from the Treasury Assistant Commissioner in charge of the Shimoga Taluk are enclosed for reference and return.

letter No. C.128/24-25 received from the Treasury Assistant Commissioner to the Deputy Commissioner , Shimoga District which was sent to the Muzrai Commissioner in Mysore, Bangalore.

Submitted to the Deputy Commissioner, Shimoga with reference to his No. H.C.175/24-25 dated the 18th March 1925 regarding the construction of the M Jumma Musjid at Holehonnur.

The Muslim gemtlemen of the locality have since collected a sum of Rs.1,560/- and deposited the same in the Savings Bank. Theinterest accrued up to date comes to Rs.167-11-8. The Savings Bank Account stood in the name of Mr. Khaji Abdul Rahiman Saheb as secretary for the construction of the Jumma Masjid. This is an old gentleman of ninety years. It appears as if it were a sin to make this old gentleman trot about from Holehonnur to Shimoga and Vice:Versa. With the consent of the Muslim gentleman concerned, his nephew Mr. Khaji Gulam Mustafa sahib has been appointed Secretary in place of the old gentleman. The Saving Bank Account that stood in the name of the old gentleman has been closed and a fresh account has been opened in the name of the new secretary. The amount standing in his credit is Rs.1,668/-. The new Pass Book No.4349 is enclosed in the records.

The present Secretary Mr. Khaji Gulam Mustafa Sahib is a respectable gentleman. It is chiefly through his exertions that the further sum of Rs.1,560/- has been collected. He and Mr. Khadar Mohadeen Sahib have executed a Mutichlika to say that they would successfully complete the building according to the plan to be approved by the Department of Public Works. They undertake to bear the extra expenditure required in addition to the grant of Rs. 500/- prayed for from Government. The latter is also a respectable gentleman in affluent circumstances. He pays income-tax and is the chairman of the local village Munsiff Court. I have no doubt that these two gentlemen will successfully get through the work. They are quite enthusiastic and are influential. They intend to undertake the construction themselves wothoutn giving it out on contract. With the gurantee of the aforesaid gentlemen there does not appear to be any chance of the work being stopped in the middle for want of funds.

The plan and estimate sent to the Executive Engineer, Shimoga, for scrutinyb

scrutiny might kindly be got early and arrangements of Rs.500/- sanctioned from the State Grant. The Muslims contributed more than three times the Government Grant and have und to bear the extra expenditure over and above these amounts. There not therefore be any apprehension regarding the payment of the sanctioned government grant.

The records accompany.
